8. A conclusion with final thoughts

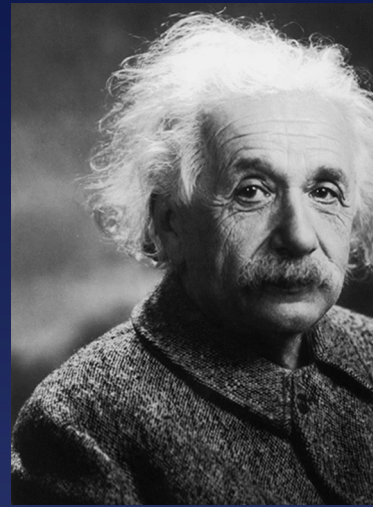

Ethical Values.

Blockchain Technology

My greatest influence.

Albert Einstein was unique in many ways. Not only has he been called the smartest man on earth, but he also made many discoveries. Einstein inspired me to question each and everything and look for reasons. That is the only way, you will understand things around you.

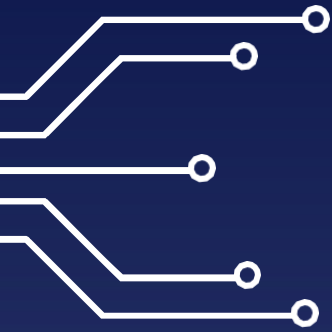

Ethical Values

"I fear the day when the technology overlaps with our humanity. The world will only have a generation of idiots."

—Albert Einstein

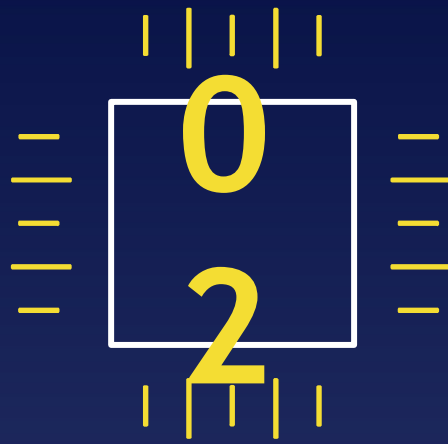

Ethical Values

"The most important human endeavor is the striving for morality in our actions."

—Albert Einstein
