History of Present Illness (HPI) Pt has hx of anxiety and past trauma

Chief Complaint (CC)

I feel betrayed, depressed, and anxious since my boyfriend moved out two days ago.

HPI

Pt present with thought of feeling betrayed and depressed by current boyfriend. Pt reports history of physical abuse from ex-husband of 13 years because she discovered that he preferred to be sexual with transgender men. Pt denies wanting to harm herself or anyone else. Report great support system and enjoyed school as a child. Pt enjoys reading Tarots cards in her spare time. Pt recently moved out of the home with current boyfriend which triggered these feelings of depression and betrayal.
