NETWORK MEMBER 1

Name: Annelise Wilp

Title: Student Success Advisor

Organization: Walden University

Academic or Professional: Academic

Why I selected this individual and/or team and how they will support my success in the MSN program and as a practicing nurse:

I selected Annelise as the individual who will support my success in the MSN program because she is my student success advisor. I have communicated with Annelise severally she was very open and approachable. As an international nurse and not used to online classes, she was a great resource in navigating the challenges I faced. She answered all my dumb questions respectfully and allayed my anxiety as I was a nervous wreck. I am very certain I will need someone like Annelise through this next step in my education and in the future.
