

Academic and Professional Success Plan Template

Prepared by:

This document is to be used for ***NURS 6003 Transition to Graduate Study for Nursing*** to complete Assessments 1-4. Just as importantly the document serves to organize your thoughts about planning for your academic and professional success.

For specific instructions see the weekly assessment details in the course or ask your instructor for further guidance.

Module 1 | Part 1: Developing an Academic and Professional Network

I have identified and secured the participation of the following academic (at least two) and professional (at least two) individuals and/or teams to form the basis of my network. This network will help me to clarify my vision for success and will help guide me now and in the future.

Directions: Complete the information below for each member of your network. For more than four entries repeat the items below with details of your additional network member(s) in the 'ADDITIONAL NETWORK MEMBERS' section.

NETWORK MEMBER 1

Name: Paul Ramsey

Title: Student Success Advisor

Organization: Walden University

Academic or Professional: Academic

Why I selected this individual and/or team and how they will support my success in the MSN program or Post-Master's Certificate (PMC) and as a practicing nurse:

I selected Paul Ramsey, the Student Success Advisor at Walden University, as my academic network because I believe he will be instrumental in supporting my success in the MSN program and as a practicing nurse. Walden University's reputation for excellence in online nursing education, combined with Paul's extensive experience in guiding students through graduate-level programs, makes him the ideal choice to assist me on my academic journey. One of the key reasons I chose Paul Ramsey is his deep understanding of the unique challenges faced by working professionals who are pursuing an advanced degree. As a Student Success Advisor, Paul Ramsey has helped countless students like myself balance the demands of work, family, and academic responsibilities. He will be a valuable resource in helping me develop effective time management strategies, set achievable goals, and stay on track with my coursework.

NETWORK MEMBER 2

Name: Natasha Bivens

Title: Senior Enrollment Specialist

Organization: Walden University

Academic or Professional: Academic

Why I selected this individual and/or team and how they will support my success in the MSN program or Post-Master's Certificate (PMC) and as a practicing nurse:

As I look towards the future and my transition into the nursing profession, Natasha Bivens' expertise will be invaluable. She will be able to offer insights into the current job market, resume-building strategies, and effective networking techniques that will help me stand out as a competitive candidate. This guidance will be particularly crucial as I explore various nursing specializations and identify the right career path that aligns with my interests and aspirations. One of the primary reasons I chose Natasha Bivens is her extensive knowledge of the MSN program's curriculum, course requirements, and learning outcomes. Her expertise will be instrumental in helping me make an informed decision about the specialization that best fits my career aspirations. Whether I'm interested in pursuing a focus in nursing education, nursing informatics, or another area, Natasha will provide me with detailed insights that will enable me to select the right program track.
