Name: Judy Washington

Title: CRNP

Organization: Northeast Alabama Regional Medical Center

Academic or Professional: Academic and Professional

Why I selected this individual and/or team and how will they support my success in the MSN program and a practicing nurse:

Judy Washington, CRNP is a wonderful source of knowledge. She is very personable and has helped increase my knowledge when working on the floor at the bedside. She has prompted me to further my education by providing guidance and knowledge when needed. Mrs. Judy (as she likes to be called) originally started in cardiology and has now transitioned to being one of the top CRNP at Regional Medical Center.

Name: Dr. Wilfredo Grana

Title: MD

Organization: Northeast Alabama Regional Medical Center

Academic or Professional: Academic and Professional

Why I selected this individual and/or team and how will they support my success in the MSN program and a practicing nurse:

Dr. Grana is one of the many physicians that has been supportive in my decision to further my education. He has volunteered his time and office for me grasp the knowledge necessary for patient care and licensure. He has been a thorough source of knowledge and guidance, not only in school, but also in practice.
