

Part II will open on Wednesday of the week and close on Saturday of the week. You cannot add additional information to Part II once it closes on Saturday. In this part of the case study, you are to review a minimum of one policy for plagiarism at your school.

Please identify three key points in the policy. Note: To complete this part of the case study, please search for an academic integrity policy from any nursing program and use that in the discussion. Provide the web address of the policy and school.

Process

1. Review the instructions for the case study.

• Part II

- Opens on Wednesday and closes on Saturday.**
- At the grievance hearing, Susie tells the committee that the faculty member who accused her of plagiarism is much younger and seems to be trying to "make a name for herself." Susie told the faculty member that she has never had another faculty member take points off for any of her APA formatting. The committee's next step is to review the policy for plagiarism at your school. Please identify three key points in the policy.**
- Note: To complete this part of the case study, please search for an academic integrity policy from any nursing program and use that in the discussion.**
